INFORMED CONSENT FOR EVALUATION AND THERAPEUTIC SERVICES

Welcome to the Psychology and Learning Department at Clarity. This agreement contains important information about our services and your rights and responsibilities as a client. It is important that you read this document carefully before participating in the evaluation and/or therapeutic services. After you have read this document, please sign your name on the last page to accept the terms of this document.

CONSENT FOR SERVICES

As a legally consenting individual, I agree to permit the clinicians of the Psychology and Learning Department at Clarity to provide therapeutic services (such as, learning therapy, coaching, or counseling) and/or conduct a comprehensive psycho-educational/psychological evaluation on myself or my child, as applicable.

I understand that therapeutic services may be provided by a person who holds at least bachelor's degree and has received specialized training in learning disabilities, special education, reading, psychology, counseling, elementary education with concentration in special education or reading, secondary education with concentration is special education or reading. When required by law due to the nature of services rendered (that is, coaching or counseling), services are provided by a licensed psychologist, a licensed professional counselor, post-doctoral fellow under the direct supervision of a licensed psychologist, or psychology trainee under the direct supervision of a licensed psychologist.

I understand that evaluations are provided by a licensed psychologist, post-doctoral fellow, or psychology trainee under the direct supervision of a licensed psychologist. A post-doctoral fellow is an individual who has a doctoral degree in psychology and is in the process of completing the year-long supervisory period that is required prior to becoming a licensed psychologist. A psychology trainee is an individual who has not yet obtained a doctoral degree in psychology but is obtaining training required for the completion of a doctoral degree in psychology.

I understand that participation in therapeutic services and/or an evaluation is entirely voluntary and I or my child can withdraw consent at any time without penalty. However, I understand that Clarity may be unable to provide feedback of the test results if testing is terminated, and that I will still be responsible for payment of any testing, scoring, and evaluation time provided up until termination.

Records of services in the Psychology and Learning Department are confidential and will not be released in an individually identifiable form without my prior consent unless required by law. I understand that in many situations, Clarity can only release information about services rendered in the Psychology and Learning Department to others if I sign a written authorization form that meets certain legal requirements imposed by state and federal privacy regulations. Clarity will follow applicable state laws and professional standards in the storage, maintenance, retention, and destructions of clinical records. Please see the HIPAA Privacy Notice, which explains HIPAA and how it applies to your personal health information in greater detail.

I agree that for training purposes, evaluation sessions may be observed by supervisors or trainees (such as, a postdoctoral fellow). I also authorize the use of clinical case discussion and review of records for the purpose of training or consultation with other providers within Clarity, who are also legally bound to keep the information confidential.

I understand that Clarity must be in compliance with child abuse reporting laws and court mandated rulings regarding release of confidential information or any provision of psychological services. Situations in which Clarity is legally obligated to take action and may reveal some personal health information including, but are not limited to, filing a report with the appropriate government agency when they have reasonable cause to suspect abuse, abandonment, or neglect of a child under 18 or a vulnerable adult, protective action if it is believed that a client represents a clear and immediate threat to another person or themselves, or receipt of a subpoena from a court proceeding.

ATTENDANCE & PAYMENT CONTRACT

The fee for counseling services will be based on a rate of $125.00 per hour session. Your insurance is a contract between you and your insurance provider. While Clarity does participate with many insurance providers, Clarity does not guarantee that counseling assessments or sessions will be covered by your particular policy. Ultimately, you are responsible for all allowable charges not covered and/or paid by your insurance provider.

Many insurance plans require a co-pay for each session. Before every appointment, you are required to check-in and pay any co-pay due. Please contact your insurance provider if you have questions regarding your financial responsibilities. If you have any billing questions pertaining to our services, please call our front office manager Beth Casman at 864-331-1393.

If you are not able to make it to your scheduled appointment, please call our front office at 864-331-1400 to cancel or reschedule at least 24 hours in advance. If you miss 2 consecutive appointments without notifying our office in advance, you will lose your regularly scheduled appointment. If you miss over 25% of your sessions over the course of 3 months, you may be discharged from counseling services. For example, if scheduled for weekly sessions over the course of 3 months, there would be 12 sessions scheduled with the expectation that no more than 3 sessions would be missed. If for any reason you are not seen for more than a 45-day period, you will be automatically discharged from counseling services and a new assessment will need to be completed in order to re-engage in counseling.

I have read and understand the policies regarding attendance and payment at Clarity.

I understand and agree with the contents of this contract as indicated by my signature below.
