As a legally consenting individual, I agree to permit the clinicians of the Psychology and Learning Department at Clarity to provide therapeutic services (such as, learning therapy, coaching, or counseling) and/or conduct a comprehensive psycho-educational/psychological evaluation on myself or my child, as applicable.

I understand that therapeutic services may be provided by a person who holds at least bachelor's degree and has received specialized training in learning disabilities, special education, reading, psychology, counseling, elementary education with concentration in special education or reading, secondary education with concentration in special education or reading. When required by law due to the nature of services rendered (that is, coaching or counseling), services are provided by a licensed psychologist, a licensed professional counselor, post-doctoral fellow under the direct supervision of a licensed psychologist, or psychology trainee under the direct supervision of a licensed psychologist.

I understand that participation in therapeutic services and/or an evaluation is entirely voluntary and I or my child can withdraw consent at any time without penalty. However, I understand that Clarity may be unable to provide feedback of the test results if testing is terminated, and that I will still be responsible for payment of any testing, scoring, and evaluation time provided up until termination.
