## IMPACT OF SPONSORSHIP

Clarity, founded in 1948, serves over 2,000 children and adults annually with over 70% of our pediatric clients being considered low-income. Our mission is to empower people to overcome speech, hearing, learning, social, and emotional challenges and our vision is that those served will realize their potential and have an enhanced quality of life. Your support ensures that ALL (not just those with financial means or apt insurance coverage) can receive evaluations and treatment for speech, hearing, learning, social and emotional challenges from Clarity's licensed clinicians.
